

## As a SuperEasy KiwiSaver Superannuation Scheme Member You Should Know Your Continuation Options

### As a valued member of our SuperEasy KiwiSaver Superannuation Scheme

*“The first thing to know is that once you belong and are a member of either of these Schemes, you can remain a member for the rest of your life.”*

#### Who can join?

SuperEasy KiwiSaver Superannuation Scheme is open to those people (and including their immediate family) that work within the Local Government sector in New Zealand. Saying that, once you are in the Scheme you can remain a member for as long as you choose, which could be for the rest of your life! Yes this means that even if you leave the services of Local Government you can still remain a member of the Scheme.

#### How it works

Once you are in a KiwiSaver Scheme you remain with your existing KiwiSaver Scheme for the rest of your KiwiSaver life until such time as you choose to change Schemes. Even if you change employers or stop work for a period of time or retire you will remain with your existing KiwiSaver Scheme, which in your case is our SuperEasy KiwiSaver Superannuation Scheme.

#### Making future payments – it’s easy

You can make future payments to your SuperEasy KiwiSaver Superannuation Scheme either as a salaried employee or a non-salaried employee (includes a self-employed or non-working person). If you will be making future payments as a:

- **salaried employee** from a new employer and your KiwiSaver contributions are deducted from your new salary and remitted to the IRD; the IRD will still send them through to your existing provider just as they did before; which would be to the SuperEasy KiwiSaver Superannuation Scheme. The only thing you need to do is to arrange with your new employer for your KiwiSaver payments to be deducted from your salary. Your new employer will send these off to the IRD, just like your previous employer, and the IRD will send them through to the SuperEasy KiwiSaver Superannuation Scheme just like they did before.
- **self-employed or non-working person** you make your KiwiSaver payments through the IRD as and when it suits you (**not directly to the Scheme**). Please refer to our website [www.supereasy.co.nz](http://www.supereasy.co.nz) and click on the “How to ensure you receive your maximum KiwiSaver subsidy from the Government each year” button to find out how to make these payments and to ensure you receive this amount from the Government each year.
